

# Got Wind? We Do

**100% Renewable  
Energy Now Available  
From LEC**

## You Have the *Power* to Make a Difference

Our members told us they would like the choice to support **GreenPower** and contribute to the growth of renewable energy sources in the region. And with concerns over climate change, anything we can do to help the environment just makes sense. **GreenPower** is an optional electricity product for those choosing to pay a little more for environmentally preferable electricity. Lincoln Electric's **GreenPower** harvests our natural wind resources in the Pacific Northwest to generate electricity without using water or producing air emissions. Our **GreenPower** program lets you:

- Demonstrate your personal commitment to a cleaner environment and a greener future.
- Support the development of a renewable energy industry in the region, while lessening your dependence on existing hydropower resources.

Do your part today by making a commitment to purchase **GreenPower** from LEC. You can choose to purchase one or more 100 kWh blocks at a cost of \$1.50 each, or supply your home or business with all **GreenPower** by selecting our **GreenPower** rate whereby all kWhs purchased are billed at a 1.5 cent premium. The choice is yours! You do have the **power** to make a difference.

I choose to sign up for Lincoln Electric's **GreenPower** Program. Until I notify LEC in writing, I agree to purchase **GreenPower** each month using the method I selected below:

I wish to purchase \_\_\_\_\_ 100 kWh block(s) per month, at \$1.50 per block. (indicate #)

I wish to sign up for the **GreenPower** Rate. All my kWh usage will be billed at a 1.5 cent premium over my normal rate schedule. (For an average member using 1200 kWhs/month—the **GreenPower** Rate would amount to a \$18.00 monthly premium.)

LEC Acct #: \_\_\_\_\_ Name on Acct: \_\_\_\_\_

Address: \_\_\_\_\_ Telephone: \_\_\_\_\_

I understand that the **GreenPower** premium is in addition to my normal energy charge.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

You can mail this form in with your payment or bring to the office. You may also fax this form to 406-889-3874.

**Thanks for your participation!**
