## Manufactured Home Incentive Program *\$150 Sales Rep Incentive Form*

Lincoln Electric Cooperative is promoting the construction and purchase of energy efficient manufactured housing by offering \$150 incentive payments to sales representatives selling new electrically heated manufactured housing built to the Northwest Energy Efficient Manufactured Housing (NEEM) program standards, and sited within our service territory. Lincoln Electric Cooperative will offer qualifying sales reps a \$150 cash incentive after the home is set-up and verified by a Lincoln Electric representative. In order to receive the incentive, after the home is properly set-up to NEEM specifications, the sales rep should complete the section below, sign the form and return to Lincoln Electric. A co-op employee will schedule a visit to the home to verify the information provided, once inspected, payment will be released to sales rep. Payment of incentives is contingent upon available funding. Lincoln Electric reserves the right to terminate this program at any time, at the Co-op's discretion. For more information contact Tim Engleson at Lincoln Electric, 406-889-3301.
